

Monish S

5/1, 1st cross muneshwara block, PG Halli, Malleswaram, Bengaluru -560003

Ph: +91 – 9035414932

e-mail: monishhh0725@gmail.com

3rd year B.E CSE-AIML student at Sai Vidya Institute of Technology with an excellent academic record. Keen interest and practical exposure in Artificial Intelligence, Machine Learning, and real-time problem solving.

Education

B.E, CSE-AIML

2023-27

SVIT, CGPA – 8.72/10

II PUC – MES Kishora Kendra PU college

2023

State Board, 88%

10th (Secondary Examination) – B.P Indian Public School

2021

ICSE Board, 83%

Technical Skills

- Programming Languages – C, Python
- Web Technologies –MySQL, MongoDB, Power BI, Figma
- Problem Solving, Computer vision, Machine learning

Internships

- **UI/UX intern** | Amdox Technologies

Nov 08 – Dec 08, 2025

Academic Projects

1. **DoughToDoor – DBMS Mini Project:** Pizza delivery app with AI voice assistant for seamless ordering experience.
2. **RescueWave - Emergency Alert System:** LSTM-based gesture detection and Vosk speech recognition system with voice call, SMS alerts using Twilio API, and email alerts using SMTP. Designed for CCTV integration to assist vulnerable groups during emergency situations.
3. **SnapSolve: A Telemedicine Platform for Rural Healthcare:** Comprehensive healthcare solution featuring symptom detection, medicine availability checking, virtual doctor consultations, fake medicine detection, expiry reminders, and simulation of a smart pill box component for timely medication intake.
4. **Coordinated Aerial Intelligence in Drones:** Implemented Swarm Intelligence concept to create an efficient algorithm with virtual simulation demonstrating friendly drones neutralizing hostile drones.

Trainings & Workshops

- Attended workshop on **Artificial Intelligence and Machine learning with python**
- Completed 12-week NPTEL course on **Artificial Intelligence: Techniques and Concepts**

Achievements

- Secured **1st place** in DBMS project at Department level for the project DoughToDoor
- Participated in the department Hackathon and secured **2nd place** for project SnapSolve
- **RescueWave won 1st place** in Mini project Expo conducted by SVIT
- Published **Patent** on the mini project, **RescueWave**.
- Completed certification on **Gen-AI foundations- AWS Academy**
- **IBM** certification on **Foundations of Artificial Intelligence**

Extra-curricular Activities

- Participated in NSS activities like Cancer awareness and Tobacco free campaign
- Participated in 7500 sapling plantation at ASC conducted by Bosch
- Hobbies include listening to music, cooking and playing Badminton.
